PC

1. Heard the learned Advocate for the applicant and the learned APP for the State.

2. This is an application for bail on the ground that the applicant is suffering from HIV positive and is at the last stage.

3. On earlier occasion also such an application was made. The applicant has been given the best possible treatment available in Government hospital. The learned Advocate for the applicant has not been able to satisfy us whether better treatment is available for the applicant at some other place. In the facts and circumstances, we do

not think that this can be a ground to release the applicant on bail. Application is therefore, rejected.
